

## **Sunglass & Reader/Eyewear & Accessories**

Meeting Summary January 29, 2016

The combined Sunglass and Reader and Eyewear and Accessories Divisions hosted the WGSN group for a dynamic trend presentation during their respective business meetings at the 2016 Executive Summit.

New York headquartered WGSN is the world's leading fashion and lifestyle forecasting experts. They provide TVC with ongoing fashion and trend forecasting service. As part of their engagement with TVC, their fashion professionals also provide the members of the E&A and SRD at the annual Executive Summit and at VEE with live presentations, focused on the aspects of global fashion trends and forecasts, as they relate and may impact the world of eyewear. For more information on WGSN visit their website at <http://www.wgsn.com>
