

The Vision Council

The Vision Council represents the manufacturers and suppliers of the optical industry. We offer a wide variety of resources and tools to help our members succeed in their businesses, from research to training to industry networking events. As a voice for the supply side of the optical industry, The Vision Council serves as a liaison with consumers and provides education about the importance of vision care and the options available in vision care products.

Eyewear and Accessories Division: Focuses on promoting eyewear as a fashion accessory, manufacturing standards and regulations and industry benchmarking.

Lab Division: Provides information, publications, education, and programs to help members operate and improve their business and their lab operations.

Lens Division: Creates standards and regulations, reviews lens-specific manufacturing issues and educates eye care professionals and consumers about lens technologies.

Lens Processing Technology Division: Monitors and establishes industry standards and creates industry-accepted compliance procedures.

Low Vision Division: Works to raise awareness of low vision rehabilitation among eye care professionals, visually impaired consumers and their caregivers.

Optical Retail: Provides information and programs to help members operate and improve their businesses in addition to supplier networking.

Sunglass and Reader Division: Promotes the fashion and function of sunwear and readers and provides guidance on standards and regulations.
