THE VISION COUNCIL
EXECUTIVE SUMMIT

I
AM
ART
IST

We all have unique creative talents that can help us achieve breakthrough levels of success – and this workbook helps you harness those gifts and use them to elevate everything you do to Artwork.

See how other professionals are benefiting from this resource...

"The wonderful thing about this program is that you don't see anything coming – it's a consistent sparking of synapses in unexpected ways. It's helped me smash through binary thinking when there's a problem I need to solve." — Vanessa

"I loved participating in the I Am Artist workbook. It helped me understand the talents I have and inspired me to be more creative." — Will
