

## LPDS COMMITTEE MEETING AGENDA

TUESDAY, SEPTEMBER 25TH, 2018 • 11:00 A.M. TO 12:15 P.M.

Sands Expo & Convention Center, Las Vegas – Sands 401

### COMMITTEE SCOPE

*The primary objective of the committee will be to specify an alternative, or supplementary, file format to optimize the processing of lenses. This will encapsulate the technical information lens makers and designers want communicated to production related systems. This data might include specific manufacturing or measurement records requirements, standardized base curve chart data, and other commercial information about a semi-finished, finished, or freeform lens product.*
