

## ISO SC7 Ophthalmic Optics Meeting Sponsorship Opportunities

Dear Members,

The American National Standards Institute (ANSI) Z80 Accredited Standards Committee (ASC) for Ophthalmic Optics is honored to be selected as the host organization for the fall 2019 International Organization for Standardization (ISO) TC172/SC7 Ophthalmic Optics and Instruments meeting. As you know, the standards process serves as the critical foundation for everyone in the optical community.

The ISO TC172/SC7 Ophthalmic Optics Plenary meeting occurs once every 18 months and is a working meeting that attracts the leading technical experts from around the world. The next meeting is tentatively planned to take place in Dallas, Texas, Nov. 4-8, 2019. In the vein of fiscal responsibility, we have established a variety of sponsorship opportunities allowing you to demonstrate your support and commitment to the international standards development process.

The sponsorship opportunities are detailed below. Please contact Michael C. Vitale, senior technical director of The Vision Council, at [mvitale@thevisioncouncil.org](mailto:mvitale@thevisioncouncil.org) or 703-548-2684 should you have any questions.

Thank you in advance for your support and commitment to this very important optical event.
